JURY TRIAL DEMANDED

INTRODUCTORY STATEMENT

1.

This action is filed by Plaintiff under 42 U.S.C § 1983 and ORS Chapter 659A for events from
June 1, 2017 to the present, alleging violations of the First and Fourteenth Amendments of the United
States Constitution, retaliation for participation in protected activities, and violations of the state

1 whistleblower protections under ORS Chapter 659A.

2 2.

3 This Court has jurisdiction over Plaintiff's claims of violations of Federal Constitutional Rights
4 under 28 U.S.C. §§ 1331 and 1343.

5 3.

6 Venue is proper under 28 U.S.C. § 1391(b), in that one or more of the defendants reside in the
7 District of Oregon and Plaintiff's claims for relief arose in this district.

8 **PARTIES**

9 4.

10 At all material times, ERIC KONZELMAN ("Plaintiff") is a citizen of the United States and
11 a resident of Benton County, Oregon. At all times material, Plaintiff worked for Defendant in Benton
12 County, Oregon.

13 5.

14 At all material times, JEFFREY SCOTT JACKSON ("Defendant Jackson") was the elected
15 Sheriff of Benton County, Oregon. Defendant Jackson was working under color of law on behalf of
16 the Benton County Sheriff's Office ("BCSO"), an agency of Benton County, Oregon ("County").
17 Defendant Jackson is the final policy maker for BCSO. Defendant Jackson is sued in his individual
18 and official capacities.

19 6.

20 At all material times, BCSO was a political subdivision of the Benton County, Oregon.
21 Defendant Benton County is a suable person under 42 U.S.C. § 1983. At all times relevant to this
22 Complaint, BCSO and Defendant County employed Defendant Jackson. At all times relevant to this
23 Complaint, Defendant Jackson was acting pursuant to Defendant BCSO's and Defendant County's
24 laws, customs, and/or policies. As the employer of Defendant Jackson, Benton County is vicariously
25 liable for all the tortious and unconstitutional acts and omissions of the Defendants committed within

the course and scope of his employment, pursuant to ORS 30.265. Benton County was and is a “Public Employer” under 659A.200(6). Defendant Jackson is a final policy maker for BCSO.

7.

At all times relevant to this Complaint, Plaintiff was a “Public Employee” pursuant to ORS 659A.200(2).

8.

ORS 659A.203(1)(b)(A) and (B) states, in relevant part, it is an unlawful employment practice for any public employer to:

Prohibit any employee from disclosing, or take or threaten to take disciplinary action against an employee for the disclosure of any information that the employee reasonably believes is evidence of:

(A) *A violation of any federal or state law, rule or regulation by the state, agency or political subdivision;*

(B) *Mismanagement, gross waste of funds or abuse of authority or substantial and specific danger to public health and safety resulting from action of the state, agency or political subdivision;*

9.

All Defendants acted under the color of law at all times relevant to this Complaint.

10.

Plaintiff is entitled to an award of attorneys’ fees and costs, pursuant to 42 U.S.C. § 1988.

FACTUAL ALLEGATIONS

11.

Plaintiff began his law enforcement career in 2005 as a reserve officer with the BCSO.

12.

Defendant Jackson, at all times relevant, was the elected Sheriff for Benton County. The Benton County Sheriff is an employee of Benton County.

///

1 13.

2 Plaintiff became a fully certified full-time deputy working for the BCSO in 2007.

3 14.

4 As a patrol deputy Plaintiff was a member of the Benton County Sheriff Deputy's Association
5 ("BCDSA"). In June of 2017 several members of the BCDSA including Plaintiff approached Sergeant
6 Peterson in the BCSO to discuss the possibility that Peterson might run against Defendant Jackson in
7 the 2018 election. As part of this exploratory process a Facebook page was created for members of the
8 BCDSA to register support for Sergeant Peterson and dissatisfaction with Defendant Jackson. Plaintiff
9 was an administrator on the Facebook page. Roughly ten days after its creation, and never having been
10 used for any purpose, the page was scheduled to be deleted. At all times relevant the meetings and
11 discussions of political activities took place while off duty and away from the BCSO.

12 15.

13 In addition to the potential campaign for Sheriff, some of the BCDSA discussed a vote of no
14 confidence in Defendant Jackson. Plaintiff was not present for this BCDSA meeting due to a
15 previously arranged hunting trip. Ultimately neither the vote of no confidence nor the challenger
16 campaign occurred despite several employees, including Plaintiff registering dissatisfaction with
17 Defendant Jackson's tenure as Sheriff.

18 16.

19 On or about November 28, 2017, Captain Rogers sent an email to Benton County District
20 Attorney Haroldson stating, "there may be Brady Law issues regarding Sheriff's Office Deputies." He
21 continued, "Additionally, I was told by Sergeant Hiner, that he was told Deputy Konzelman was going
22 to bring up the 'vote of no confidence' at a recent Association meeting but he missed the meeting."

23 17.

24 On or about December 4, 2017, Sheriff Jackson sent an email to D.A. Haroldson entitled,
25 "Update on Potential Brady issues identified last week." In that email the Sheriff described a

1 conversation between Deputy Gordon, Corporal Schermerhorn, Undersheriff Ridler and himself. The
2 conversation took place on November 30th. Sheriff Jackson states “Gordon explained that he wanted
3 me to know that many members of Benton County Deputy Sheriff’s Association (BCDSA) ... were
4 very upset that they were being used” to bring a vote of no confidence. “Gordon further explained that
5 as Vice President of BCDSA he was included in conversations with Deputy Brent Iverson where
6 Iverson acknowledged promises that were made from Sergeant Dave Peterson to Iverson, and from
7 Iverson to Sergeant Peterson involving filing multiple grievances and initiating the vote of no
8 confidence.” These allegations by Gordon were untrue and were made for the purpose of harming
9 Plaintiff and others. Plaintiff further has reason to believe that at the November 30th meeting Gordon
10 informed Defendant Jackson that a Facebook page had been created to vent frustrations about
11 Defendant Jackson. Deputy Gordon revealed the protected activities out of motivation to be promoted
12 within the Sheriff’s Office.

13 18.

14 As a result of the allegations made by Gordon, Hiner, and others, an internal investigation was
15 opened into Peterson and Iverson. Captain Rogers requested that Sergeant Cunningham, of the Marion
16 County Sheriff’s Office assist in the investigation. As a part of this investigation Cunningham
17 conducted interviews with several employees of the BCSO including then BCDSA Vice President
18 Deputy Josh Gordon (Gordon is currently the President of the BCDSA) and Corporal Al Schermerhorn
19 (current Vice President of the BCDSA). Schermerhorn told Cunningham he and Gordon provided
20 assurances the Defendant Jackson that they would quash any vote of no confidence in the BCDSA.

21 19.

22 On or about February 2, 2018 Plaintiff arrived at work and was confronted by Undersheriff
23 Ridler. Ridler instructed Plaintiff to follow him into the briefing room and instructed Plaintiff to speak
24 to Cunningham. Plaintiff was not previously informed on this interview and was not informed of his
25 right to have representation with his in the interview. Plaintiff felt the interview was compelled.

1 20.

2 Cunningham informed Plaintiff that the subject matter of the interview might approach matters
3 of protected union activity. Despite his verbal assurances to the contrary, Cunningham did in fact ask
4 Plaintiff about his role in protected union activities and other activities protected by the First
5 Amendment. The apparent purpose of the interview was to question Plaintiff about these protected
6 activities and/or to develop a pretext to open an investigation into Plaintiff directly. Defendant Jackson
7 stood to benefit from an investigation into his political opponents using the pretext of an investigation
8 into potential disparagement of the BCSO. It is widely known in the BCSO that Peterson and Plaintiff
9 are friends.

10 21.

11 During Plaintiff's February 2nd interview with Cunningham Plaintiff was repeatedly asked
12 about his role in the BCDSA Facebook page created in June of 2017. Cunningham repeatedly asked
13 leading questions about Plaintiff's role in creating the page. Plaintiff did not at that time remember if
14 he had created or administrated the page in question. Subsequent review of Plaintiff's Facebook
15 account revealed that he had been the administrator and had scheduled the page for deletion roughly
16 ten days after it was created. Plaintiff had no memory of the page largely due to the passage of time
17 and the fact that the page had never been used, it had no posts, no page views, no followers, and no
18 activity other than creation, setting a profile photo, and then deletion.

19 22.

20 During the interview, Plaintiff offered to check his Facebook app on his phone to see if that
21 would help refresh his memory. Cunningham refused to allow Plaintiff to do so during the interview.
22 At the close of the February 2nd interview Cunningham directed Plaintiff to write down his
23 username and password. Plaintiff felt compelled to comply with this direction and gave over the
24 password to his personal Facebook account. This was a violation of ORS 659A.330(1)(a).

25 ///

1 23.

2 On or about March 13, 2018 Plaintiff was informed that he was now the subject of a new
3 internal investigation into his truthfulness in the February 2nd interview. Plaintiff was placed on
4 administrative leave pending the outcome of the investigation. Plaintiff was told by BCDSA VP
5 Gordon that either Gordon or Schermerhorn would be acting as his representative. Plaintiff did not
6 then have knowledge that both Gordon and Schermerhorn had approached Defendant Jackson and
7 Undersheriff Ridler with disparaging information about Plaintiff. Neither Gordon nor Schermerhorn
8 disclosed any potential conflict of interest to Plaintiff. Defendant Jackson used Gordon and
9 Schermerhorn's disclosure of protected activities to initiate an investigation into Plaintiff.

10 24.

11 On or about March 16, 2018 Gordon and Plaintiff communicated by text message regarding
12 Plaintiff's interview in this second investigation. Gordon was acting in his capacity as Vice President
13 of the BCDSA. Gordon discouraged Plaintiff from bringing his private attorney to the interview.
14 Plaintiff was put off by this behavior from Gordon and opted to have Kim Lovik, who was the
15 Secretary of the BCDSA, serve as his representative. Despite clearly communicating this preference
16 to Gordon, Gordon continued to insert himself into the matter and actively kept information regarding
17 the investigation from Lovik.

18 25.

19 Sometime after Plaintiff asked Gordon to cease his involvement in the County's investigation,
20 Lovik walked into a closed-door meeting between Gordon and Jackson. As Lovik entered she heard
21 the two men discussing the Plaintiff. The two stopped their discussion as Lovik entered and she was
22 unable to ascertain the extent of the discussion. The BCSDA refused to allow Plaintiff's private
23 attorney to be present. This is a violation of ORS 236.350 to ORS 236.370.

24 ///

25 ///

1 26.

2 On or about March 29, 2018 Plaintiff was interviewed by Captain Don Rogers with Kim Lovik
3 and Meg Kirschnick present. Rogers questioned Plaintiff at length regarding the Facebook page and
4 Plaintiff's subjective memory of the few days in June of 2017 during which the page was active.
5 Plaintiff again denied having significant memories of that page. The few details which he could
6 remember had all been triggered by questions during Cunningham interview and subsequent
7 examinations of Plaintiff's Facebook page. Plaintiff acknowledged seeing a page in his Facebook
8 which showed that he had scheduled the BCDSA page for deletion and even looking at that
9 information did not trigger a memory of actually scheduling the deletion. Plaintiff acknowledged that
10 it must have occurred but was not a significant event and that is why he did not remember it.

11 27.

12 Prior to the conclusion of the investigation into Plaintiff, on or about April 17, 2018 Gordon
13 sent an email to Lovik and Schermerhorn and stated in part "[i]t is clear to all of us and all of them
14 that [Plaintiff] was lying." Around this time the union board met to discuss whether the union would
15 take action on Plaintiff's behalf. Lovik raised the possibility that the union could file an unfair labor
16 practices complaint. Gordon became heated and insisted that Plaintiff was dishonest and that no action
17 would be taken. A compromise was made to issue a formal request to Defendant Jackson to honor the
18 investigation policies for future investigations. Gordon never informed Plaintiff that this course of
19 action was decided upon, and Plaintiff doesn't know if that message was ever conveyed to the Sheriff.

20 28.

21 On June 7, 2018 Captain Rogers issued the final findings from the March 13th investigation.
22 He found there was insufficient evidence to conclude that Plaintiff was untruthful because there was
23 no evidence that Plaintiff intended to deceive anyone with the statements regarding the Facebook page.

24 ///

25 ///

1 In addition to the findings Rogers also issued a report detailing his findings. Rogers stated that he
2 asked Plaintiff if medication use may have contributed to the paucity of his memory. Rogers
3 incorrectly stated Plaintiff adamantly denied medication use during June 2017.

4 29.

5 In the March 29 interview, Rogers asked Plaintiff if he was on light duty in June. Plaintiff
6 acknowledged he had knee surgery in May and he was taking pain killers during the recovery period.
7 Plaintiff recounted an event from a previous surgery, he had taken medication and forgotten an entire
8 evening. Plaintiff was adamant that he didn't want to blame the lack of Facebook memories on pain
9 medication, but he never denied taking medication during early June of 2017.

10 30.

11 Plaintiff knows that many other deputies have been unable to remember details when they have
12 been interviewed as part of an internal investigation. Plaintiff has never heard of another deputy being
13 subjected to a separate investigation because he or she could not remember details during an interview.
14 Plaintiff alleges this is unequal treatment with no rational basis and he was subjected to investigation
15 and reporting to the DA's office because of his support for Peterson while he contemplated running
16 for the Sheriff's office.

17 31.

18 On or about May 8, 2018 the Benton County District Attorney's Office Brady Review
19 Committee met and issued findings and recommendations regarding several BCSO employees
20 including Plaintiff. The Brady Review Committee concluded that Cunningham had found Plaintiff
21 violated the BCSO General Order 7.1 § 2.9 Truthfulness. The Brady Committee reached this
22 conclusion despite the fact that there was no *finding* of untruthfulness by Cunningham. Cunningham
23 did allege a violation; however, Plaintiff's truthfulness was not an issue in Cunningham's
24 investigation. The only finding regarding truthfulness is Roger's June 7th letter finding insufficient
25 evidence to conclude that Plaintiff was untruthful. The Brady Committee stated they too found

1 insufficient evidence of untruthfulness. Nevertheless, the Brady Committee concluded that
2 Cunningham's finding in an official investigation was a mandatory disclosure under *Brady v*
3 *Maryland*.

4 32.

5 On or about June 19, 2018 Benton County District Attorney John Haroldson send the findings
6 of the Brady Committee to Sheriff Jackson. Haroldson upheld the finding that "Cunningham's findings
7 that Plaintiff was untruthful constitutes Brady material that must be disclosed in every instance where
8 he is called as a witness." Haroldson's conclusion also misstated Cunningham's allegation as an
9 official finding.

10 33.

11 On or about June 25, 2018 attorneys representing the BCDSA sent a letter to DA Haroldson
12 asking him to reconsider the Brady designation regarding Plaintiff and others. The BCDSA pointed
13 out Plaintiff was a witness, not a subject of Cunningham's investigation. The BCDSA further pointed
14 out that Cunningham asked BCSO if he should expand his investigation to encompass Plaintiff's
15 truthfulness and BCSO said they did not want the investigation to be expanded. The BCDSA informed
16 Haroldson the investigation merely raised an allegation of untruthfulness, an allegation which was not
17 sustained during the subsequent investigation into Plaintiff. DA Haroldson declined to reconsider
18 Plaintiff's Brady designation.

19 34.

20 Plaintiff felt that both investigations were improperly based on protected union and first
21 amendment activities and were retaliatory in nature. Plaintiff further came to believe that certain high-
22 ranking union members were working against Plaintiff and colluding with management personnel to
23 hurt Plaintiff. Plaintiff lost any confidence that the union to stand up for Plaintiff's rights in the face
24 of the illegal retaliation. Plaintiff began working with his private attorney to file an unfair labor

25 ///

1 practices (“ULP”) complaint against both the County and the Union. The union was well aware that
2 Plaintiff wanted a ULP complaint filed on his behalf.

3 35.

4 On or about November 19, 2018 Plaintiff, through his attorneys, filed a ULP complaint
5 against his employer and the union for violations of state law. On or about January 29, 2019
6 Plaintiff, through his attorneys, sent notices pursuant to ORS 30.275 to Defendants.

7 36.

8 On or about October 31, 2018 Plaintiff received a notice of investigation for a new internal
9 investigation. This investigation was further retaliation for Plaintiff’s constitutionally protected
10 activities and subsequent activities including his planned ULP complaint. This investigation was
11 ostensibly based on a citizen complaint from a Benton County resident regarding Plaintiff’s arrest of
12 her son. Plaintiff was investigated for insufficient probable cause to arrest, failure to notify the parents
13 of the minor following arrest, failure to conduct a thorough investigation, and for failure to investigate
14 the counter complaint that the arrest was based on a false report. The investigation was assigned to Lt.
15 Andy Franklin and Captain Dave Snippen from the Linn County Sheriff’s Office.

16 37.

17 The investigation centered on the events of the evening of October 9, 2018. Plaintiff was
18 dispatched in response to a report of an attempted burglary. A female minor reported a male suspect
19 had attempted to break into her house. She identified the suspect as a person known to her from high
20 school. Plaintiff located the suspect after midnight at his residence. The suspect denied the attempt
21 and offered an alibi, he was at a GED class at the time alleged. The suspect was already on parole as
22 a juvenile offender and had an ankle bracelet with a GPS tracker. Plaintiff documented in his report
23 he had a subjective lack of confidence in GPS accuracy and reliability. Plaintiff spoke to a probation

24 ///

25 ///

1 officer who confirmed the suspect was at the GED location until 5:53 p.m. and was at his residence at
2 6:00 p.m. Plaintiff did not ask the officer about the reliability of GPS, nor did the officer volunteer
3 that information.

4 38.

5 Plaintiff was told by Benton County Juvenile Detention that if he had probable cause he should
6 take the suspect into custody and do additional investigation in the morning rather than merely citing
7 him and releasing him. Plaintiff took the suspect to the Linn Benton Juvenile Detention Center. The
8 next morning Plaintiff did additional investigation including interviewing the suspect's grandmother,
9 who picked him up from the GED class and took him home. Plaintiff also contacted the probation
10 officer and obtained a more detailed explanation of the reliability and accuracy of the GPS system.
11 Plaintiff followed up with the complainant/victim and obtained a firm time from her of when the
12 attempted break in happened. Plaintiff documented in his report his subjective belief that the GPS was
13 inaccurate, and that the complainant was certain of the suspect's identity. Plaintiff did not contact the
14 suspects mother.

15 39.

16 The suspect had been booked into the detention center early the morning of October 10th. His
17 mother had been working an overnight shift and got of work approximately 7:30 a.m. on October 10th.
18 She had a voicemail on her phone from the detention center, the voicemail was from the early hours
19 of that morning and was likely left around the same time as the suspect's booking. She was able to
20 contact the detention center and confirm that her son was in custody for attempted burglary. On
21 October 11th at 11:19 a.m. a judge dismissed the burglary charge and the suspect was released an hour
22 later. No charges were brought relating to this incident.

23 ///

24 ///

25 ///

1 40.

2 On or about December 13, 2018 Plaintiff was required to attend an interview with Lt. Franklin.
3 Plaintiff had indicated his intent for his private attorney to accompany him as a representative. This
4 request was initially honored, and the interview time was coordinated with Plaintiff's attorney. Two
5 days before the interview Sheriff Jackson contacted Plaintiff's attorney and informed him that he
6 would be excluded from the interview. Plaintiff's attorney indicated this would be a violation of ORS
7 236.360(2)(b) which provides a "public safety officer may have a representative *of the officer's*
8 *choosing* present at the interview." (emphasis added) Despite this warning, Defendant Jackson
9 persisted in barring Plaintiff's attorney from being present during the questioning.

10 41.

11 Plaintiff attended the interview with his union rep, and Plaintiff's attorney was not allowed to
12 be in the room during the interview. Plaintiff was questioned at length regarding the night in question
13 and his subjective decision making that night. Plaintiff was allowed to have Ms. Lovik present as his
14 BCDSA representative. Plaintiff had filed his ULP complaint partially against the BCDSA and despite
15 the open and obvious conflict of interest, the BCDSA and their attorneys refused to acknowledge the
16 conflict or taken any remedial action. The BCSO refused to allow Plaintiff a representative of his
17 choosing even in light of pending litigation against the BCDSA and the BCSO.

18 42.

19 The investigation concluded that the first offense investigated, lack of probable cause for arrest,
20 was unfounded. A finding of "Unfounded" means that the allegation is false or meritless. "Based on
21 the facts of the investigation, there is no basis to the allegation." Plaintiff believed the timeline for the
22 alleged attempted burglary was loose, and the suspect had an opportunity to commit the offense even
23 though he had an alibi and ankle monitor. Plaintiff also believed the suspect gave evasive answers to
24 questions and that the GPS data was unreliable. Therefore, even BCSO agreed that Plaintiff had
25 probable cause to make the initial arrest.

1 43.

2 The investigation concluded that the second offense investigated, failure to notify the parents
3 of a minor arrestee, was sustained. Plaintiff admitted he never contacted the suspect's mother because
4 he forgot to do so. However, despite Plaintiff's failure to notify the mother, there were no facts or
5 evidence that his omission was willful rather than merely negligent. Additionally, the suspect's mother
6 received notice from the detention center at the time the suspect was booked so there was little to no
7 prejudice from Plaintiff's failure to notify.

8 44.

9 The investigation concluded the third offense investigation, failure to conduct a thorough
10 investigation, was sustained. The investigators found that Plaintiff had sufficient probable cause, but
11 further investigation may have undermined or eliminated the probable cause. The investigators
12 questioned why Plaintiff found it necessary to arrest the suspect that night, rather than wait to develop
13 the investigation further. Given that the follow up investigation did provide exculpatory evidence for
14 the suspect, it was assumed by the investigators that Plaintiff should have investigated further at nearly
15 one in the morning. Plaintiff explained a major factor in his decision to arrest was the complainant's
16 safety.

17 45.

18 The investigation concluded the fourth offense, failure to investigate the complainant for a
19 false report, was unfounded. The suspect's mother was furious about her son's arrest and demanded
20 the BCSO investigate the female who reported the attempted burglary. The investigation found no
21 evidence which would support an investigation into the complainant. Plaintiff never had the subjective
22 impression that the complainant was being untruthful or malicious in her report. She seemed genuinely
23 shook by the incident and Plaintiff believed that she simply misidentified the suspect. Even after the
24 incident, when she was questioned further, she remained adamant that it was the person initially
25 identified.

1 46.

2 On March 8, 2019 Plaintiff received notice of termination from the BCSO. Despite the
3 investigators finding that Plaintiff had probable cause to arrest the suspect, Defendant Jackson's
4 termination letter relitigated that issue and seems to conclude the probable cause was deficient. There
5 were no allegations of untruthfulness in the internal investigation and no finding of untruthfulness
6 made by the Linn County investigation. Curiously, Defendant Jackson accuses Plaintiff of "intentional
7 untruthfulness or blatant disregard of the facts" in the preparation of the probable cause affidavit. This
8 conclusion, which goes beyond the findings of the investigation, was used, in part, as a basis for
9 termination. This investigation was a pretext to terminate Plaintiff in retaliation for engaging in
10 protected activities.

11 47.

12 Plaintiff's termination came more than four months after the investigation was open in
13 violation of the collective bargaining agreement. Allowing the investigation to go stale and then
14 reopening it later is a violation of due process. The termination also was issued for conduct for which
15 Plaintiff had already received progressive discipline in the form of counseling from his supervisor.
16 Subsequent discipline for the same conduct is a violation of double jeopardy.

17 48.

18 The termination was not for just cause, as required by the collective bargaining agreement and
19 Oregon public employment statutes because Defendant County failed to adhere to the tenet of
20 progressive discipline. Defendant County used termination where a lower level of discipline should
21 have been explored. Termination is an action of last resort, particularly where less harsh penalties can
22 be imposed. Other employees in the CBSO have not been subjected to investigation or discipline for
23 more severe actions.

24 ///

25 ///

1 49.

2 In early 2019 Plaintiff, and other employees of the BCSO became concerned that Defendant
3 Jackson might have violated state election laws and the Benton County Charter. It had become
4 common knowledge in the BCSO that Jackson had purchased a residence in Lincoln County on the
5 coast and was commuting to the BCSO from this new residence. On information and belief, this
6 residence was purchased by Jackson in later 2017 using a VA-backed loan. On information and belief,
7 the mortgage documents Jackson signed required him to occupy this Lincoln County residence as his
8 primary residence to maintain eligibility for the loan.

9 50.

10 At or around the same time as this real estate purchase, Defendant Jackson signed his election
11 application to run for Sheriff. In his application he had to truthfully list a residence in Benton County
12 and sign an attestation that the filing was true and correct under penalty of felony. The Benton County
13 Charter requires the Sheriff be a Benton County voter at the time of his election and to maintain his
14 residency in Benton County throughout his tenure. Defendant Jackson used a Benton County address
15 on his application. Oregon election laws do not allow an elector to be simultaneously registered in two
16 jurisdictions. At the time of his election, Defendant Jackson was a resident of Lincoln County, Oregon.

17 51.

18 Plaintiff, by and through his attorney, brought this matter to the attention of the Secretary of
19 State's office as well as the Benton County Elections Department. Plaintiff caused this notice to be
20 sent via facsimile to Benton County on the morning of March 8th. Plaintiff believes the decision to
21 terminate him was partly based on this complaint.

FIRST CLAIM FOR RELIEF:

Violation of Federal Constitutional Rights 42 U.S.C. § 1983

Count One: Violation of Right to Free Speech – Public Employee

52.

Plaintiff re-alleges all paragraphs previously alleged.

53.

54.

Elections, representation, and political organizing are matters of public concern.

55.

Plaintiff's acts described herein were motivating factors for one or more of the following retaliatory actions: Defendant Jackson's decision to investigate Plaintiff for the statements given to Cunningham in his Feb 2nd interview; Defendant Jackson's notice to DA Haroldson that Plaintiff was implicated for untruthfulness; Defendant Jackson's decision to investigate Plaintiff for the October 2018 arrest; Defendant Jackson's decision to deny Plaintiff access to his own attorney; and Defendant Jackson's decision to terminate Plaintiff.

56.

As a result of the above-described actions, Plaintiff has suffered damages totaling at least \$1 million, including lost wages and benefits, lost economic potential, harm to reputation, emotional distress, and incurrence of attorney fees and other costs.

57.

Plaintiff has incurred attorney's fees and costs in pursuing this claim.

Count Two: Denial of Rights Freedom of Speech
Local Governing Body Based Upon Official Policy, Practice, or Custom
(Benton County Sheriff's Office and Benton County)

58.

Plaintiff re-alleges all paragraphs previously alleged.

59.

Defendant Jackson's previously outlined retaliatory acts and policies constituted an unwarranted denial of Plaintiff's free speech constitutional rights.

60.

Defendant Jackson, as the elected Sheriff for Benton County, acted under color of law and in his official capacity at all times relevant to this complaint.

SEVENTH CLAIM FOR RELIEF

42 USC § 1983 – Fourteenth Amendment

Count One: Violation of Plaintiff's Procedural and Substantive Due Process Rights

(All Defendants)

111.

Plaintiff re-alleges all paragraphs previously alleged.

112.

By and through the actions and omissions described above, Defendants deprived Plaintiff of his Fourteenth Amendment rights preventing deprivation of his constitutionally protected rights without due process of law, causing him harm.

113.

Plaintiff has a property interest in his job, as he has a legitimate entitlement to continued employment with his public employer, as well as fair and equal access to overtime and promotional and training opportunities. This claim to entitlement arises out of Benton County's promises of specific treatment in specific circumstances, including disciplinary action implemented upon existence of just cause, made in County and Department disciplinary policies, and the collective bargaining agreement.

114.

Defendants violated due process by subjecting Plaintiff to additional discipline, termination, after he had already been disciplined for the same acts by his supervisor. This is a violation of the prohibition on double jeopardy. Defendants further violated due process by allowing the investigation into Plaintiff's arrest of a juvenile suspect to go stale and only reviving it after several months had passed. Defendants further violated due process by conspiring with union representatives to deprive Plaintiff of a fair investigation and fair representation.

///

///

115.

Defendants then deprived Plaintiff of his constitutionally protected interests without due process of law when they terminated Plaintiff without just cause, depriving him of regular and overtime pay (an “economic sanction”), reporting him to the Benton County DA for Brady disclosure, and effectively ending his employability as a police officer and his ability to transfer laterally to a different department, thereby directly impacting his interest in pursuing law enforcement as a profession elsewhere. Defendants continue to deprive Plaintiff of these interests without due process to this day.

116.

As a direct and proximate result of the acts and omissions of Defendants complained of herein, Plaintiff has suffered, and continues to suffer, economic damages including lost wages, lost overtime work, lost training and promotion opportunities, advancement, and disqualification from testifying in the course of his employment. Such injuries are permanent and continuing, and capable of being determined at trial.

117.

As a further direct and proximate result of the acts and omissions complained of herein, Plaintiff has suffered, and continues to suffer mental pain and suffering, humiliation, worry, anxiety, fear, loss of earning capacity, and loss of personal and professional reputation, entitling him to an award of compensatory non-economic damages in an amount to be determined at trial.

118.

Plaintiff seeks compensatory and punitive damages against the County and BCSO.

///

///

///

Count Two: Violation of Plaintiff's Right to Equal Protection

(All Defendants)

119.

Plaintiff re-alleges all paragraphs previously alleged.

120.

Defendant Jackson, as the Benton County Sheriff, acted under color of law and his official capacity at all times relevant to this complaint.

121.

On information and belief, other deputies have engaged in substantially similar behavior to Plaintiff in conducting investigations, making arrests, and failing to notify parents of minors arrested.

122.

On information and belief, no other BCSO deputies were investigated or disciplined with termination as a result of said behavior.

123.

On information and belief, no other BCSO deputies were placed on the *Brady* list of mandatory disclosures where no *finding* of untruthfulness has been made.

124.

On information and belief, the BCSO targeted Plaintiff based on his past participation in constitutionally and statutorily protected activities, his filing of a ULP against his employer, and lodging a complaint of election violations against Defendant Jackson.

125.

The County and the BCSO's actions violate the Equal Protection Clause of the Fourteenth Amendment.

///

///

126.

Defendants' conduct involved a reckless disregard or callous indifference to Plaintiff's constitutional rights. Defendants' malicious, wanton, or oppressive acts are within the standards for assessing punitive damages.

127.

As a further direct and proximate result of the acts and omissions complained of herein, Plaintiff has suffered, and continues to suffer mental pain and suffering, humiliation, worry, anxiety, fear, lost wages, loss of earning capacity, and loss of personal and professional reputation, entitling him to an award of compensatory non-economic damages in an amount to be determined at trial.

128.
